

AC Portable EV Charger

 众普森
Zopoise
GBT connector

Product Features :

- Highly compatible with new energy vehicle charging interfaces/protocols.
- Multi-intelligent detection: real-time voltage/current monitoring, precise power calculation & safety protection.
- LED tri-color indicator: standby/charging/fault status.
- Plug-and-charge authorization.
- Auto-full charging mode.
- compliant with CQC.

Applications :

- Suitable for home and industrial use.
- Suitable for carrying in the car, traveling charging, and emergency charging.

Specifications :

Item	ZA01-C03K5AA-X001
Input Voltage	AC220V±20%
Input Frequency	50Hz±1Hz
Output Power	3.5kW
Current	16A
Gun Cable Length	3.5m/5m/10m/15m
Temperature /Humidity	-30~ +50°C/5%~95%RH
Protection	IP55
Appearance Size	241.7mm×81mm×55.1mm
Product Weight	<3.66KG
Leakage Protection	Type A+DC6mA
